The 1st team qualified for the 1/4 final of the Charity Shield with a well-merited victory against Saxton Rovers, who had previously beaten them 4-1 in the League. AERE then followed up with much needed league points against Sutton Courtenay. In both games it was teamwork and determination which paved the way for victory but the defence, 'keeper Brian Winzor, and the back three of John Bacon, Geoff Barton and Peter Hayward, were magnificent.

Anyone interested in playing or contributing in any way is welcome to come along.

N.B. It should be an exciting game on Sat. 2nd Dec. when AERE entertain Drayton of Div. I in the N. Berks Cup. Why not leave the garden/TV and watch? Kick-off 2 p.m.

RECREATIONAL ASSOCIATION

THE GRAND XMAS DRAW will take place at 1 p.m. in the Social Club on Fri. 22nd Dec. The draw will be made by the Director.

1st Prize will be a black & white portable TV, the second a digital clock/radio and, with many other minor prizes ranging from bottles of perfume and spirits to large cuddly toy animals, it's well worth the 10p per ticket asked.

At present tickets are available from the Social Club bars, the Rec. Assoc. Secretary and a few other individual outlets. Sellers are urgently required if the Draw is to be a success - the more tickets we sell, the more subsidiary prizes will be available - so, if members would like to support the Rec. Assoc. in a positive way, please contact the promoter, Tony Betteridge, Ext. 3296, or go along to the Secretary's office any time between 8 a.m. to 5 p.m. Mon.-Fri., and collect as many tickets as you feel able to sell.

PARASCENDING & SPORT PARACHUTING. Always fancied "having a go" at parachuting, but fearful of the unknown? Why not try parascending, a sport in its own right, but also serving as an invaluable introduction to the real thing. Many of the techniques used are identical to parachuting and gradual progression will ensure your comfort, improve your confidence and give you an exhilarating experience in complete safety. Parascending is extremely cheap compared with parachuting (you don't need an aircraft) and so here is a golden opportunity to make a move that will change your life!

For full information on Parascending and Sport Parachuting, contact Tony Betteridge, Rec. Soc. Administrator, on Ext. 3296.
