DISTRIBUTED INTERACTIVE COMPUTING NOTE 829

issued by
Notes of a meeting of the organising committee for the   D A Duce
BCS FACS/SERC Workshop on Program Specification and
Verification held on 27th March 1983   11th April 1983

Distribution:	R W Witty
	D A Duce
	Programme Committee
	Tech Mtgs Prog Spec & Verif file
Present	R J Cunningham
	B Sufrin
	D A Duce
	D Simpson
	T Denvir
	I D Cottam

The following points arose:

1. Dr R W Witty would be invited to chair the Monday evening session.

2. The following rapporteurs would be invited:

    Monday   am   Martin Sadler
                pm   Alan Wills
           evening   John Cooke

    Tuesday   am   Martin Spivey

    Wednesday am   Shirley Williams
                pm   David Duce (Jim Cunningham reserve)

3. Robin Milner has agreed to speak if Huet does not arrive.

4. Brian Wichman's paper has been included in one of the small working
    group sessions.

5. Jim Cunningham and Colin Runciman to arrange an announcement about
    demonstrations.

6. Working Group Chairmen to meet in bar at end of Monday evening
    session.

7. Notices to be placed outside lecture theatre for attendees to sign
    up for working groups.

8. Each working group should nominate its own reporter. Reporters to
    be told they must produce a report of their group for publication.

9. BCS FACS AGM to be held on Monday evening at 7.00 pm (prior to
    evening session).

10. Jim Cunningham is meeting Heydon/Wiley to discuss publication of the
    proceedings. An alternative possibility is the CUP are trying to
    establish a Lecture Note Series and may be interested.
