Academic Coordinator's Progress Report - February-April 1983

1. INTRODUCTION

For Family reasons, coordination over this period has been disrupted.

2. INDUSTRIAL CONFERENCE

The industrial conference occupied the period to 4th March 1983. All Panel Members should have received copies of the conference papers. The industrial coordinator will give a report of the conference.

3. WORKSHOPS

A meeting of dataflow researchers is being organised by Dr Gurd for 27/28 June. There is adequate provision for this meeting in the workshop budget.
