The following VN's are active:

IKBS/SE	RA	VN 437
PSO/SSO	FT	VN 461
IPSE 2.5	RA	VN 455

The aim of the present recruiting exercise is as follows:

VN 455 1 Technical RA,
      1 Managerial RA IPSE 2.5

VN 461/437 1 person to work on specification with DAD
          1 person to manage ML project with PMH and K Blackburn
          1 person for FMR for Alvey support.

If Kevin Blackburn accepts a post he will work for PMH on ML. The section should negotiate entry into an Alvey fast ML implementation project. PMH should do this and become responsible for the day to day management of the project.

The following group structure is envisaged.

```
