

Future of Research Group Policy

The attached papers are distributed in connection with the meeting of Mr. D.W. Fry's working party on the afternoon of March 17th.

(a) Graphs showing trends of R.G. expenditure 1955/62.

(b) Graph showing growth of R.G. staff.

It is also suggested that AERE D/M 361 would be a useful reference documents. Copies are attached for those who have not already received it under cover of RCMB(59) 6.
